2 Structure

2.1 Organisation Structure

2.1.1 As per the provisions of Section 3 of Mauritius Accreditation Service Act (Act 23 of 1998 - 1 August 1999 amended 10/17 (cio 24/7/17), the Mauritius Accreditation Service (MAURITAS) is headed by the Director, who is a public officer.

2.1.2 Our organisation structure currently comprises the grades of Director, Accreditation Manager, Assistant Accreditation Manager and Accreditation Officer. A number of other grades in the government hierarchy is also included in the organisation structure so as to provide administrative support to the department such as Confidential Secretary, Office Management Assistant, Management Support Officer, Receptionist/Telephone Operator and Office Auxiliary. The organisation structure can be illustrated as below:

2.1.3 The Director is responsible for the control, operation and day-to-day management of the Department. He is responsible to the Minister for the proper discharge of his functions under the MAURITAS Act and the implementation of such policies as may be determined. The officers of the different grades of MAURITAS are under the direct administrative control of the Director.

2.2 Authority and Decision

2.2.1 As per section 4 of the Mauritius Accreditation Service Act (Act 23 of 1998 - 1 August 1999 amended 10/17 (cio 24/7/17), the functions and powers of MAURITAS are as follows:

- to provide a national unified service for the accreditation of conformity assessment bodies;
- to promote widespread recognition of the competence of accredited calibration laboratories, testing laboratories, inspection bodies and certification bodies;
- to improve the standard of calibration, testing, inspection and certification within Mauritius to meet the needs of current and potential users;
- to monitor international activities relevant to its responsibilities;
- to establish agreements on mutual recognition with other national, regional and international accreditation bodies and to obtain and maintain international acceptance of the competence of organisations accredited by it; and
- to carry out such other activities in the accreditation field as may enhance the competitiveness of Mauritian goods and services.

2.2.2 Section 8 of Mauritius Accreditation Service Act (Act 23 of 1998 - 1 August 1999 amended 10/17 (cio 24/7/17) provides for the establishment of the Accreditation Committee (AC) which grants, maintains, extends or terminates an accreditation.

Section 8 (1) Mauritius Accreditation Service Act (Act 23 of 1998 - 1 August 1999 amended 10/17 (cio 24/7/17) which refers to constitution of the Accreditation Committee was amended on 24 July 2017 to provide for an independent accreditation decision mechanism.

2.3 Description of accreditation infrastructure

2.3.1 The membership of MAURITAS with respect to ILAC, IAF, SADCA and AFRAC is as follows:

- ILAC – Member of the Mutual Recognition Arrangement
- IAF – Member of the Multilateral Recognition Arrangement
- AFRAC - Arrangement Member
- SADCA – Arrangement Member

for the following accreditation scopes:

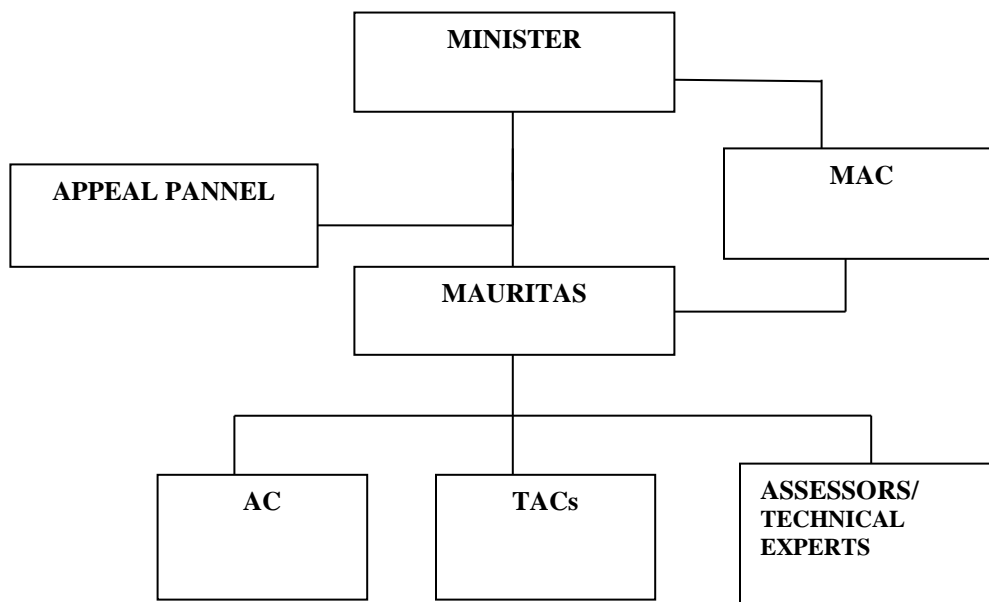

- Testing – ISO/IEC 17025
- Calibration - ISO/IEC 17025

- Management System Certification –

Level 3	ISO/IEC 17021-1	
Level 4	ISO/IEC 17021-3 (QMS)	ISO/TS 22003 (FSMS)
Level 5	ISO 9001	ISO 22000

2.3.2 MAURITAS is the sole national accreditation authority for granting accreditation to calibration/testing laboratories, certification bodies and inspection bodies. MAURITAS is responsible for all its decisions related to accreditation.

2.3.3 The national accreditation structure is centred around MAURITAS, the MAURITAS Advisory Council (MAC), the Accreditation Committee (AC), the Technical Advisory Committees (TACs) and assessors/technical experts as illustrated below:

2.3.4 The duties and composition of the MAC, AC and TACs are defined in the Mauritius Accreditation Service Act (Act 23 of 1998 - 1 August 1999 amended 10/17 (cio 24/7/17)). The rules of procedure of the Committees and Advisory Council are laid out in the relevant **MAURITAS P1 and P8** procedures. The ToR for all the committees (MAC, AC and TAC) are laid out in **MAURITAS P15**.

2.3.5 MAURITAS has recourse to the MAC for advice on policy issues and to the TACs for advice on technical issues in specific sectors. The MAC, in accordance with Mauritius Accreditation Service Act (Act 23 of 1998 - 1 August 1999 amended 10/17 (cio 24/7/17)), advises the Minister on all matters relating to the functions of MAURITAS and to accreditation. The TACs are responsible for providing technical advice over the wide ranging fields, disciplines and sectors of accreditation. All members of MAC and TACs are provided with the relevant training with regards to the management system of MAURITAS and International Standards.

2.3.6 The position of MAURITAS in the Ministry responsible for the subject of Industrial Development is illustrated in **Annex C**.

2.4 Responsibility, Duties and Authorities – top management of MAURITAS and other MAURITAS Staff

2.4.1 All the officers employed in MAURITAS, including the Director, have a scheme of service which defines their duties and responsibility. MAURITAS Staff shall conduct their work with professional integrity and shall implement and ensure compliance to the established management system comprising the policies and procedures as defined in this quality manual.

2.4.2 The responsibility, duties, authorities and line of reporting of the **Director** are described below:

Responsibility:

To be responsible for the efficient administration of the Mauritius Accreditation Service (MAURITAS) and to ensure the implementation of accreditation as per the Mauritius Accreditation Service Act (Act 23 of 1998 - 1 August 1999 amended 10/17 (cio 24/7/17)).

Duties:

1. To be responsible for the execution of the policy of the MAURITAS and for the control and management of the day-to-day business of the Service.
2. To advise the Ministry on matters relating to national accreditation.
3. To make decisions on accreditation after assessment when there is no modification to the scope of accreditation.
4. To establish strategic alliances with the public/private sectors and external bodies/agencies like accreditation organisations of other countries and other reputed institutions.
5. To promote the role of the MAURITAS and its importance in the economy of the country.
6. To devise and manage accreditation schemes for testing and calibration laboratories, and bodies responsible for inspection, quality system certification, product certification, personnel certification, environmental system certification, and as appropriate in other related fields.
7. To devise and organise training programmes for potential assessors.
8. To be responsible for seeking recognition of the National Accreditation System by overseas accreditation bodies, be it at national, regional and international levels.
9. To select and monitor the performance of assessors and lead assessors.
10. To use ICT in the performance of his duties.
11. To perform such other duties directly related to the main duties listed above or related to the delivery of the output and results expected from the Director, MAURITAS in the roles ascribed to him.

Authorities:

1. To approve the Quality Manual and documents forming part of the MAURITAS management system.
2. To approve the amendments to documents of the management system
3. To suspend accreditation of accredited CABs when they fail to meet the requirements of accreditation.

4. To sign accreditation certificates.
5. To make recommendation on accreditation to the AC
6. To make decisions on accreditation after assessment when there is no modification to the scope of accreditation.

Line of Reporting:

1. The Director is responsible to the Minister for the proper discharge of his functions under the MAURITAS Act.

2.4.3 The responsibility, duties, authorities and line of reporting of the **Accreditation Manager (Laboratories & Inspection)** are described below:

Responsibility:

1. To be responsible for the effective and efficient implementation of accreditation programmes offered by the MAURITAS in line with international standards.

Duties:

1. To ensure that the accreditation system of the MAURITAS complies with the relevant international standards and guidelines.
2. To provide technical inputs on Laboratory and Inspection Body accreditation matters to the MAURITAS Advisory Council and to Sub-Committees set up by the MAURITAS Advisory Council.
3. To prepare projects, plans and develop strategies for the implementation of policies and procedures for the operation of Laboratory and Inspection Body accreditation activities.
4. To supervise, review and monitor the work of Assistant Accreditation Managers in respect of application for Laboratory and Inspection Body accreditation, effecting assessment visits and preparing assessment reports.
5. To act as lead assessor or assessor during Laboratory and Inspection Body assessment exercises.
6. To prepare reports, newsletters and other information and communication briefs on Laboratory and Inspection Body accreditation activities at national, regional and international levels.
7. To assist the Director in the development of budgetary plans, business plans and strategies for Laboratory and Inspection Body accreditation activities.
8. To assist the Director in the organisation of training courses, seminars and workshops related to Laboratory and Inspection Body accreditation.
9. To review and ensure that accurate information on Laboratory and Inspection Body are maintained on MAURITAS website.
10. To provide technical inputs on accreditation matters and to be involved in all activities pertaining thereto at the SADC and other regional blocks.
11. To promote accreditation in Mauritius.
12. To review, submit comments and recommend vote on accreditation standards, documents and guidelines from the International Laboratory Accreditation cooperation (ILAC).

13. To use ICT in the performance of his duties.

14. To perform such other duties directly related to the main duties listed above or related to the delivery of the output and results expected from the Accreditation Manager in the roles ascribed to him.

Authorities:

1. To monitor the performance of assessors.
2. To deputise for the Director in his absence.
3. To make recommendation on accreditation when acting as Lead assessor.

Line of Reporting:

1. The Accreditation Manager (Laboratories & Inspection) reports to the Director.

2.4.4 The **Accreditation Manager (Certification & Quality)** is the designated Quality Manager for the MAURITAS Management System. The responsibility, duties, authorities and line of reporting of the Accreditation Manager (Certification & Quality) are described below:

Responsibility:

1. To be responsible for the effective and efficient implementation of accreditation programmes offered by the MAURITAS in line with international standards.
2. To be responsible for the maintenance of the management of quality operations systems in the Mauritius Accreditation Service (MAURITAS) in line with international standards for the purpose of international recognition and multilateral recognition arrangements.

Duties:

1. To ensure that the accreditation system of the MAURITAS complies with the relevant international standards and guidelines.
2. To provide technical inputs on Certification Body accreditation matters to the MAURITAS Advisory Council and to Sub-Committees set up by the MAURITAS Advisory Council.
3. To prepare projects, plans and develop strategies for the implementation of policies and procedures for the operation of Certification Body accreditation activities.
4. To supervise, review and monitor the work of Assistant Accreditation Managers in respect of application for Certification Body accreditation, effecting assessment visits and preparing assessment reports.
5. To act as lead assessor or assessor during Certification Body assessment exercises.
6. To prepare reports, newsletters and other information and communication briefs on Certification Body accreditation activities at national, regional and international levels.
7. To assist the Director in the development of budgetary plans, business plans and strategies for Certification Body accreditation activities.

8. To assist the Director in the organisation of training courses, seminars and workshops related to Certification Body accreditation.
9. To review and ensure that accurate information on Certification Body are maintained on MAURITAS website.
10. To provide technical inputs on Certification Body accreditation matters and to be involved in all activities pertaining thereto at the SADC and other regional blocks.
11. To promote accreditation in Mauritius.
12. To be responsible for the establishment and maintenance of a quality system according to international standards.
13. To ensure that the quality system as documented in the Quality Manual is continually reviewed, maintained, controlled and updated.
14. To report directly to the Director on all matters pertaining to the quality system.
15. To organise internal audits and train new internal auditors.
16. To review, submit comments and recommend vote on accreditation standards, documents and guidelines from the International Accreditation Forum (IAF).
17. To use ICT in the performance of his duties.
18. To perform such other duties directly related to the main duties listed above or related to the delivery of the output and results expected from the Accreditation Manager (Certification & Quality) in the roles ascribed to him

Authorities:

1. To monitor all controlled copies and maintain distribution list
2. To review all changes to documentation
