4 MAURITAS Accreditation Process

4.1 Accreditation requirements

4.1.1 We assess the technical competence of CABs by using the relevant international standards and any other additional requirements as specified by MAURITAS at national level, AFRAC and SADCA at regional and sub-regional level respectively and ILAC and IAF at international level.

4.1.2 The international standards and the ILAC and IAF mandatory documents used for the existing accreditation schemes are detailed as per **Annex D**.
