6 MAURITAS Management System

6.1 General

6.1.1 The MAURITAS Management System is developed on the basis of the requirements of the international standard ISO/IEC 17011 ‘Conformity Assessment – Requirements for accreditation bodies accrediting conformity assessment bodies’ and of the requirements laid out in the Mauritius Accreditation Service Act (Act 23 of 1998 - 1 August 1999 amended 10/17 (cio 24/7/17)).

The Management System is in accordance with Option A of ISO/IEC 17011 and also covers the additional requirements as set out by ILAC and IAF at international level and by SADCA at sub-regional level and by AFRAC at regional level.

6.1.2 The Management System sets out the policies and identifies the procedures that MAURITAS uses for its implementation. Where necessary and useful, reference is made to the procedures established under the Quality manual.

6.1.3 MAURITAS has established the following series of procedures to support our quality manual:

- R series - Accreditation regulations procedures.
- P series - Management system procedures.
- G series - Accreditation guidance procedures.
- A series - Assessment procedures.

6.1.4 The Management System is implemented through the generation of records on F series forms amongst others.
